

PRACTICAL GUIDE ON HOW TO DISPOSE OF UNWANTED PACKAGING

GUIDA PRATICA ALLO SMALTIMENTO DEGLI IMBALLAGGI

Dear Customer,
to comply with Italian Decree No. 116/2020, we have put together a guide on how to correctly dispose of packaging after purchasing our products.

Use QR code on product tag and we will guide you through sorting packaging waste for correct disposal. Please remember to check your local council's regulations for waste disposal.

Tables below contain useful information on how to dispose of materials used to package and display products made by Space 2000 S.p.A.

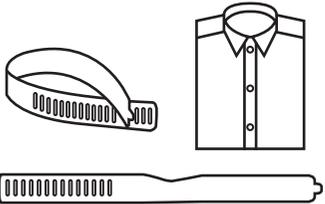

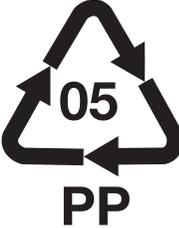

Various types of packaging we use are listed alongside an image, description and relevant European abbreviation per Decision 97/129/EC.

Gentile Cliente,
in ottemperanza al Decreto n. 116/2020 abbiamo realizzato una guida su come smaltire correttamente gli imballaggi dopo l'acquisto dei nostri prodotti.

Utilizza il QR code sull'etichetta del prodotto e ti guideremo nel corretto smaltimento dei rifiuti di imballaggio. Ricordati di verificare in ogni caso le disposizioni del tuo comune in materia di smaltimento.

Le tabelle che seguono contengono informazioni utili sulle modalità di smaltimento dei materiali utilizzati per confezionare ed esporre i prodotti realizzati da Space 2000 S.p.A.

Per ogni tipologia di imballaggio, identificata sia da un'immagine di riferimento, sia da una descrizione del tipo di imballaggio/materiale, trovi indicati il tipo di materiale che costituisce l'imballaggio e la relativa sigla Europea dettata dalla Decisione 97/129/CE.
